COMPANY OVERVIEW

SA&S is a veteran-led small business providing security advisory, tactical training, field logistics, equipment sourcing, fleet operations, procurement support, and international program support to government agencies, law enforcement organizations, and prime contractors.

CORE COMPETENCIES

- Security advisory and operational assessments
- Tactical and firearms training; range operations
- Instructor development and curriculum design
- Fleet management and preventive maintenance programs
- Field logistics, equipment sourcing, and deployment-readiness planning
- Armory management and weapons accountability systems
- SOP, policy, and program management support
- International law enforcement and mission support

DIFFERENTIATORS

- Integrated security, training, field logistics, fleet, and procurement support under one mission-focused platform.
- Overseas experience supporting U.S. Government-funded law enforcement programs.
- Practical field background in fleet modernization, armory accountability, weapons handling, and training implementation.
- Responsive, flexible, compliance-minded support for agencies and prime contractors.
